

CAREER PLAN

In order to develop your career plan, use Choices Planner's Work Page.

What is my personality type? Find out your personality type by completing the Choices Planner Interest Inventory. In our culture, most persons are one of six personality types: realistic, investigative, artistic, social, enterprising, or conventional. Find out which work environment best suits your personality. People who choose to work in an environment similar to their personality type are more likely to be successful and satisfied with their jobs.

1. **Activity:** go to the Work Page and complete the **Interest Inventory**. Review your personality types and the careers that match your personality type. After reviewing list of careers, add the ones that are most interesting to your portfolio by clicking **Add to Portfolio**.

Work Values. Are you independent? Do you like people telling you what to do? Are you creative? Make sure the career you're interested in matches your own personal values. If you're an impatient person, do you really want to have a career that requires patience? Complete the Work Values Sorter to find a list of matching careers.
